RE: Request to Make Changes to Directory Format

Dear Mr. Terreni:

Horry Telephone Cooperative, Inc. (HTC) hopes to make changes to its Directory and seeks permission to do so from the S. C. Public Service Commission in accordance with S. C. Code of Regulation, Section 103-631(J). Specifically, we propose that the Directory's font style be changed to accommodate the shift from a 3-column to a 4-column white pages layout. Making this change will reduce the Directory's page count and consequently help to keep the Directory at a manageable size and weight. The change will assist HTC, Horry County Government and Horry County Schools in their collective recycling and conservation efforts.

Thank you for considering our request, and please call us if you have any questions regarding our proposal.

With kind regards,

Curley P. Huggins  
Chief Executive Officer
